

We are a family here at Gina's. The Health and safety of our team + customers is our top priority.

Please note our safety procedures during this time:

- * If you are not feeling well, please do not visit us until you are well.
- * Staff temperatures are taken daily.
- * We have increased our already high level of cleanliness, and we will be sanitizing during service as well.
- * Only groups of up to six people, please.
- * Tables are set two meters apart; please do not move them.
- * We encourage you to make a reservation and phone upon arrival to ensure that your table is ready.
- * Customers will be given a time limit of an hour and a half.
- * Please use the sanitation station near the entrance of the restaurant on your way in.
- * Our team will all be wearing masks for safety reasons.
- * Customers are asked to wear masks unless seated.
- * Please respect the 2-meter physical distance with our team + other customers.
- * All items on the table will be removed + sanitized before seating the next customer.
- * For pick-up orders, please phone from the parking lot, and we will bring your food out to you with the interact machine.
- * Please look at our menu online to make your order. "<https://ginasmexicancafe.ca>"

We hate to say it, but we won't be handshaking or hugging ☹️.

We do, however, look forward to seeing your smiling eyes. 😊
